PLATFORM

Masters can combine 5m, 7½m and 10m freely. For age groups 50+ only feet first entries are allowed from the 10m platform and any performed dive from the 10m must not exceed tariff of 2.0.

TRAINING AND COMPETITION

There will be a training session Friday, March 1st. Depending on the number of registrations **the competitions will start at Friday**. The exact times for training and competition we will know a couple of days before the event. The schedule will be published on Facebook and will be sent by email.

You can only compete in your event when it is actually scheduled. So when you arrive late or you have to leave early, unfortunately you might miss an event. We will do our best not to finish too late on Sunday, because of the traveling of all our foreign competitors.

ENTRY

Entry fee will be € 20,00 per diver single event.

Entry fee will be € 20,00 per synchro event. Each diver € 10,00.
